Students learned about several Rights of the Child and collaborated to generate ideas of what these rights mean to them. They planned their own ideas by answering key questions:

- *What does a clean environment look like?*
- *What happens when the environment is not clean?*
- *What can you do to keep the environment clean?*

Next, they personalized their thoughts in preparation for writing words and phrases in a Shape Poem of their choosing:

- They wrote 3 favourite theme words
- They finished these statements:
  - *I promise to . . .*
  - *The world would be a better place if . . .*
  - *Kids need . . .*

They chose a relevant shape and created a personal “Shape Poem”

Because exercise is good for your  
muscles. Play is important because  
playing is good for your brain.  
I like to play with my friends.

Ask them to play.
