

CHILDREN'S RIGHTS IN HOSPITAL

I can...

Have someone I care about stay with me

Get good medicine and care

Make choices

Like how to spend my time or what I need help with to feel comfortable.

Ask questions

Like: *How long will this take?, Will this hurt? or Why do I need this medicine?*

Have privacy and my own space

Share my thoughts and feelings

Get special care

Adults should make sure my care fits my needs.

Play

Learn

United Nations General Assembly (1989). *Convention on the Rights of the Child*.

United Nations, treaty series 1577(3), 1-23.
